www.riverparkchurch.com info@riverparkchurch.com

The use of pre-purchased tokens allows you to receive a charitable donation receipt for the amount ordered. Tokens can then be used in lieu of cash in weekly offerings. This convenience allows you to receive a receipt without having to use a giving envelope for weekly donations. A full description of the giving token program is available on the website <http://www.riverparkchurch.com/stewardship>.

To order tokens use this form and include payment.

- Alternately, provide the requested information on your giving envelope, clearly marked **TOKEN ORDER**.
- Allow up to three weeks for processing.
- Charitable giving receipts will be provided in February for all donations in the prior calendar year.
- **Token orders must have cheques dated January 1 or later of the current year** as per Canada Revenue Agency rules and are recorded as giving for that year.

<b>Token Order Form</b>
